## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Polcyn on 3/21/05.

The application has been amended as follows:

Claims 32, line 1, the phrase – before said live performance event occurs – has been inserted after the word “event”.

### ***Allowable Subject Matter***

1. Claims 1-18 and 32-43 are allowable.

Claim 1 recites the method step of providing, at a point-of-sale of tickets, an opportunity for prospective event ticket purchasers to pre-purchase a copy of a recording of the live performance event. The next steps of conducting, recording, and manufacturing are shown by the Griner reference. The final step of includes distributing the manufactured copies of the recording to those that pre-purchased them.

The examiner has proposed that the Griner reference in combination with the fact that pre-purchasing items is old and well known for a variety of reasons. Applicant has

asserted that there is a critical disconnect and lack of motivation for this combination to be valid. The examiner concurs.
